

June 2022

Dear Lower School Parents,

I'm happy to report that the Board of Trustees has asked me to continue to lead the school for another year as Head of School, and I am honored to do so. We are looking forward to having your child join us for a great year of growth and learning at Granada Preparatory School. Additionally, with a year of on-campus learning behind us, we are eager to move forward with plans to reinstate the Parent-Teacher Organization (PTO) and some of the fun social activities that have been missing over the past 2 years due to COVID.

To get ready for the **first day of school on August 31, 2022**, you will find enclosed a 2022-2023 school calendar, a supply list of items you will need to bring to school on the first day of school, and required summer assignments in reading and/or math (please look for the documents for your child's grade level in the fall). There is also information about our Extended Day Care (EDC) program to help you with planning (registration for EDC will be available later this summer). Finally, **please make sure you review our dress code** before doing your back-to-school shopping. GPS polos and sweatshirts are required for Kindergarten through 8<sup>th</sup> grade students except on free dress days.

You'll be hearing more from us as we get nearer to the start of school in August. Meanwhile, have a great summer!

Sincerely,

Carol Shibel
