

June 2022

Dear Preschool, Pre-K, and Jr. K Parents,

I'm happy to report that the Board of Trustees has asked me to continue to lead the school for another year as Head of School, and I am honored to do so. We are looking forward to having your child join us for a great year of growth and learning at Granada Preparatory School. Additionally, with a year of on-campus learning behind us, we are eager to move forward with plans to reinstate the Parent-Teacher Organization (PTO) and some of the fun social activities that have been missing over the past two years due to COVID.

To get ready for the **first day of school on August 31, 2022**, you will find attached a 2022-2023 school calendar. There is also information about our Extended Day Care (EDC) program to help you with planning (registration for EDC will be available later this summer). Finally, a supply list of items you will need to bring to school on the first day of classes is enclosed.

For all new Preschool, Pre-K, and Jr. K students, you will find a packet of state mandated forms that you will need to complete over the summer, including a physician form that your pediatrician has to complete before the start of school on August 31. These forms can be mailed or dropped off at the school office at 10400 Zelzah Ave., Northridge, CA 91326. If your child attended Preschool at GPS last school year, you do not need to complete these papers again.

You'll be hearing more from us as we get nearer to the start of school in August. Meanwhile, have a great summer!

Sincerely,

Carol Shibel
Head of School
