

## Granada Preparatory School EARLY CHILDHOOD SUPPLY LIST

Each child needs to provide the following:

1. A complete change of clothes (including shoes) to be used in case of toileting accidents, messy water play, or art projects. Please include an extra sweatshirt for weather changes.
2. Two packages of Flushable Baby Wipes for toileting needs.
3. One 4-pack of Clorox disinfecting wipes.
4. A backpack that is large enough to contain a lunchbox, jacket, and art work. Please do not send rolling backpacks as they can slide out of cubbies.
5. A filled re-usable water bottle brought each day with the child's name permanently written on it.
6. All jackets, sweaters, sweatshirts, backpacks, etc. must have names on them.
7. If your child uses a lunchbox and/or thermos, each item must have a name permanently written on it.

Two and three year old students must have the following rest-time supplies:

1. A small travel size pillow with his/her name on it.
2. A small (crib size) sheet with his/her name on it.
3. A small child size blanket with his/her name on it.
4. Each child will need to bring the above rest-time supplies in a zippered, waterproof bag (a small duffel bag, a plastic zippered pillow, blanket, or quilt bag would be perfect). Please place the child's name in large letters on the outside of the bag. We will use these bags to store the bedding and to send the bedding home for laundering.

Shoe Shopping Reminder: When you are shopping for school shoes, please remember that open-toe sandals, cowboy boots, thongs, jellies, or dress shoes are not appropriate for school.
