

Graduate Placement

When choosing a secondary school, it's important to find the right fit for each student. GPS is an active partner in helping families identify and apply to programs that best meet their needs. Through a thoughtful and cooperative effort between parents, administrators and faculty, our MYP graduates enjoy an unusually high and consistent rate of acceptance at very selective secondary schools.

Recent graduates have been accepted into these wonderful programs:

- Army and Navy Academy
- Brentwood School
- Bishop Alemany High School
- The Buckley School
- Campbell Hall
- Cate School
- Chaminade High School
